Watemoor Bistro Set
Assembly Instructions

Please read through these instructions and ensure they are kept for future reference.
All parts and hardware are listed on the back of this guide.

WHEN ASSEMBLING THIS PRODUCT PLEASE PLACE PARTS ON A SOFT SURFACE TO AVOID DAMAGE OR SCRATCHES.

Care Instructions

Prepare your workspace: To protect the finish of your new furniture, assemble the table on a clean, soft surface such as a piece of carpet or a blanket.

Unpack with care: Upon arrival, carefully remove all packaging materials. Take care when removing packaging to avoid damaging the surfaces of your furniture.

Check all parts: Before assembly, ensure all parts are accounted for by checking them against the provided parts list.

Gentle tightening required: Please avoid over-tightening screws or bolts, as aluminium is a soft metal. Over-tightening can strip threads or break parts.

Step-by-step assembly: Begin by finger-tightening all nuts, then use a spanner or socket for the final tightening to complete the assembly securely.

Storage: During extended periods of non-use or adverse weather conditions, store your furniture in a dry and well-ventilated indoor space.
